Next Sunday our parish will participate in Share the Light Sunday, the day that Orthodox parishes throughout North America raise awareness about the work of our Church's official media ministry, The Orthodox Christian Network. As a commissioned agency of the Assembly of Canonical Bishops of North and Central America, the Mission of OCN is to strengthen the Orthodox communities of North America and to share the timeless faith of Orthodoxy with the contemporary world by using modern media: radio, the Internet, podcasts, DVDs, television and more.

The Flagship program of the Network, "Come Receive the Light" highlights the faithful work of the many ministries and individuals of our Church and has now been broadcasting for 16 years. In addition to Come Receive the Light, the Orthodox Christian Network hosts 18 podcast channels, 3 24/7 online radio stations and an Orthodox blog.

The Orthodox Christian Network asks that our parish please help the ministry in fulfilling its mission of sharing our Orthodox Faith by passing a tray on Share the Light Sunday. Just as importantly, we can support OCN by listening to its programs and by praying for the ministry's continued health and growth.
