

OCN Radio *Solutions*

OCN offers several ways for parishes to utilize both online and land based radio technologies. This serves to give parishes multiple options to choose from as they consider how to incorporate various media strategies into their local ministry.

Share the Light Parish:

- A banner to place on your parish website with links to OCN's 24/7 online radio stations: The Ark, Rudder and Anchor.
- Parish Participation in Share the Light Sunday

Lampstand Parish:

- 24/7 Online Radio Station with your choice of the national stream of the Ark, Rudder or Anchor
- Radio Station page on OCN's internationally viewed website
- Link to your parish or organization website from your radio station
- Facebook page for your parish or organization radio station
- Radio player for parish or organization website with parish or organization name
- \$1,000 contribution to OCN

City on a Hill Parish:

- 24/7 Online Radio station customized specifically for your parish or organization
- Access to a library of selections from the Ark, the Rudder

and Come Receive The Light

- Ability to add your own music to your station
- Ability to add your own sermons, announcements, commercials, bible studies and programs
- State of the Art H4 recorder to record your station's offerings
- A link to your parish or organization's homepage from OCN's internationally viewed website
- Radio player embedded on your parish or organization's website with parish or organization name
- Facebook page for your station
- With annual renewal receive 50 new Rudder selections, 50 new Ark selections and the previous year's episodes of Come Receive The Light
- 10 hours of training and ongoing technical support
- \$2,000 contribution to OCN plus an additional \$1,000 in the first year for equipment, set up and training.
- iPhone and android app for your parish or organization station-additional \$200

Managed Station:

The managed station is for groups of parishes in a local geographical area that want to partner together in a station. You receive all the same benefits as a customized station and OCN will do the customizing of your playlist. OCN will also create voice over introductions for your programming. Cost: \$12,000.

Come Receive the Light on Land Based Stations:

Bring the nationally syndicated Orthodox Christian radio program to your city! Parishes throughout the world have the opportunity to hear Come Receive the Light on a local radio station. We will help you find a station in your local area to broadcast the program. We can create a contract with a particular parish or an entire local Orthodox clergy group. The cost for production and delivery of Come Receive the Light is \$1,200 per parish annually (Mission Parishes of 150 families or less are asked to contribute \$5 per family). This is an excellent ministry tool to reach out to your local community with the treasures of the Orthodox Christian Faith.

For more information about establishing your parish's radio outreach ministry please visit www.myocn.net or call (954) 522-5567.
