

For over 6 ½ years I've been producing [Bible study materials for Orthodox Christian teens](#) , and for almost 2 ½ years I've been producing the [Get Wisdom podcast](#) . I've created a [special episode of Get Wisdom](#) because I need your feedback.

I love studying the Bible, and I love sharing Bible study with Orthodox Christian teens and adults. But now, after years of creating these—and other materials—I have a bit of a dilemma: I need to make some choices about what work (both Orthodox and otherwise) I'll be doing in the future. This is where you come in.

Don't worry, I'm not asking for any money!

What I need from you is feedback: do you value my teen Bible studies and Get Wisdom podcast? Do you want me to create more of them (such as continuing the series on the Holy Gospel according to St. Matthew)? If so, then I need to hear from you. Let me know that you want me to continue creating Bible studies and podcasts for teens. Or, if there's something else you'd like to see and use, let me know about that.

Leave a comment on this page, send me an email, or contact me using [Twitter](#) , [Facebook](#) , or a number of instant messaging services listed at the bottom of [my website](#) .

I'm not asking for any type of financial commitment, or even any personal information; if I continue creating these resources, I'll create them entirely for free, just as I always have. All I want is to know that there are enough people who use and value these resources that you're willing to tell me you want them.

If I hear from enough people, then I'll know that I need to continue creating teen Bible studies and the Get Wisdom podcast. If I don't hear from people, however, then I'll know that it's time

for me to move on and do something else. In either case, praise God.

So again, leave a comment, send me an email or use any of the social media listed at the bottom of [my website](#) . In two weeks I'll let you know what I've learned. Until then, thank you.
